LIFE ENRICHMENT

At New Haven fun is on the agenda every day. Our robust activity calendar is filled with a variety of social and recreational activities allowing residents to remain active and engaged each day. Whether it is a group activity building new friendships or one on one activities there is always an opportunity to have fun.

We offer two memory care programs that are crafted specifically to meet our residents where they are physically, mentally, and emotionally.

PURPOSEFULLY ENGAGED PROGRAM

Designed to nurture activity, exercise, dining, and restful opportunities with purpose filled engaging activities that stimulate personal abilities.

ESSENTIAL CONNECTIONS PROGRAM

Thoughtfully designed to honor the uniqueness of every resident by offering a holistic approach that is tailored for residents at every level of care.

Health & Wellness

At New Haven, our resident's health and physical comfort is our priority every single day. Our care team consists of highly trained compassionate caregivers and LVN nursing oversight. Our intimate communities allow us to provide services that are tailored to meet each residents' daily needs with the ability to age in place.

Life at New Haven

New Haven Floresville's thoughtfully designed spacious floor plan offers open indoor and secure outdoor spaces that allow residents a sense of independence and freedom in their environment. Features such as artwork, arrangement of furniture, natural lighting and color preferences are carefully selected with our residents in mind. Our home-like community allows residents to make a comfortable transition from their previous home to ours.
